

 ROYAL DOORS

Side Hinged Garage Doors

Modern Take on Old Style

Traditional

TRADITIONAL - classic design door.

Replace door but not a style!

Double glazed panel with clear, matt, "frosted" or tinted glass and 'Cross' decor.

Any RAL or BS colour including wood image colours.

Flush

Flush design in either woodgrain or stucco finish offers a classic look which suits traditional and modern properties. The door can be personalised with attractive window options. You can choose vertical or horizontal panel layout and any colour you like.

Door with 'Sails' stainless metal applique. Choose one of the standardised or create your own.

With three sizes of portholes and custom layout you can get exceptional result.

Slick

No ribs, no embossing - just a smooth panel. But looks great! Slick design offers exceptional range of colours. In combination with stainless steel windows or appliqués and metallic finish your garage door can look like a million worth.

Rib

The simplistic Rib design available in both horizontal and vertical layouts, combined with various woodgrain or stucco finishes and colours, makes it a popular choice.

Slick design and horizontal layout door with stainless metal applique as a kick-plate.

Uniform design front and garage doors. As Ryterna manufacture both, matching design is not a problem any more.

Midrib

Midrib design panels look like a solid timber planks and is available in various finishes and colours including popular smooth metallic. Glazed 'BS' design panel with tinted double glazing.

Georgian (Cassette)

Good old Georgian design. Standard acrylic double glazed windows with decorative stainless metal inserts.

Modern

Modern design door can significantly improve your house kerb appeal and increase value. Just imagine and we will try to turn your dreams into reality.

Diamond

Diamond design door will make your home 'sweet home'.

Two design panels combined in chevron layout along with 8 square 15x15 cm stainless steel windows create a cosy and welcoming appearance.

Retro

Retro design doors if you want to comply with conservation area regulations or just resemble the 'good old' door. With the help of different design elements, we can get the desired look.

Stainless steel windows will decorate any door. Play with sizes, shapes, layout.

Stainless steel appliqués can make your door really different and special. Choose from standard appliqué catalogue or create your own. Appliqués combined with stainless steel windows can create a stunning effect.

Think outside the box!
Design, layout, colour – sky is the limit.
